Summary: trailer for a fanfic am wrinting

1. trailer

****up beat rock background music stars ****

voice:for these six httyd fans it was starting to look like the best summer

katia: this is so far the coolest summer in the history of all summers

****the kids all step in the portal two at a time adventure background music plays****

eddie: ricky! where are we

ricky: i think were in berk

jesicca:*screams* i can't belive it am in berk *faints*

a portal

hiccup: dagur plans to attack berk by using people from you demesion as an army of hipnotized slaves i heard about the franchise about our dragons in your demesion and heard about you guys so i brought you here to come help us

katia: wait you're not joking me about being hiccup are

hiccup: um no?

sam: are sure

hiccup:*confused*yeah

****katia,sam and jessicca scream****

a tomboy

sam: step away boys let the sam girl handle this

ricky: hey this is a man's job

****sam moves the giant rock away and throws it****

ricky: i did not see comin'

a sk8er girl

katia: i can get it faster on a skateboard

eddie: do you know how to ride it

katia:**scoffs** of course i do i always do this for fun

a gamer

hiccup: eddie put that thing down were having a code meeting

eddie:**looks up from 3ds** but i just beat level twelf

a country boy

ricky: i ain't scared of dagur i've seen cow poop that's creepier then him

a nerd

alex: what i've just discovered is that is i mix salt water with the plasma from your dragon and heat it up it will make a gas that can make anything faint

eddie:**faints**

hiccup: nice

and a fashionista

jessicca: just in case our mission gose south and we get caught by dagur i made us dubbed suits now not orange cues would awful but pink

sam: yeah am not wering pink

jessicca: well i do not wanna wear orange

****best song ever plays in the background****

six fans

eddie:you know forget about our diffrences we are all a team and we stick together no matter what

one adventure

dagur: **get them!**

**katia hits him with a skateboard **

katia: was i not supposed to that

the fan force 1: the first adventure

alex: hey hicc did have a mood swing

**hiccup thinks back to a day where he punched a guy in the face
**

hiccup: nope

coming soon

2. note

Hey guys so I am actually doing this fanfic am just waiting till I get more reviews and I'm still planing I have a lot of ideas in my head so I need you guy's help am making the second trailer so I want you to help me come up with some good quotes. Here are the oc's and their personalities

Eddie: he is kind of layed back dude, and he perferse video games over real life, he thinks that everything is the same as it is in video games

Ricky: he and Eddie May be polar oppisites, but they're still bffs he is active serious, he comes from the country so he's a bit on the tough side

Alex: he is very nerdy and smart he loves school and he's like a walking thesorous. He loves awsering questions, and correctin people

Sam: she is really stubborn tomboyish and tough

Katia: she is a skater girl, she loves rock music, and she is wild and reckless

Jessica: she loves fashion and she lives by her number 1 rule 'fashion before blood' she's also obssesed with make up, and her apperance. Her main love is fashion she loves giving fashion advice and sewing dresses

You have to make one quote for each character I'll choose three lucky winners you have two weeks, put your entery in the review

End
file.
